EOL (End of Life) announcement for **AJ65BT-G4-S3 peripheral device connection module**

Dear all,

After a long and successful sales period, we will officially phase-out the AJ65BT-G4-S3 peripheral device connection module by the compatible AJ65BT-R2N RS232 interface module.

Please be informed about the following EOL (End of Life) announcement.

FA-EBG will phase-out the Product **AJ65BT-G4-S3** as follows:

EOL Product	Order no.	Suggested replacement articles	Replacement Order no.
AJ65BT-G4-S3	134950	AJ65BT-R2N	216545

AJ65BT-G4-S3 Phase out schedule:

End of Life notification	January 2009
Last date to place orders (LTB, last time buy)	March 2009
Last date for delivery to customer (LTD, last time delivery)	June 2009
End Of Service (EOS)	June 2016
End of all services on the unit and the know-how will be limited. No longer an internal demand that we should be able to provide After-sales services.	

Customer Action Requested:

Mitsubishi Electric will accept purchase orders for the above mentioned EOL products through LTB date which are non-canceling. Purchase orders after the LTB date will not be accepted.

The purchase order can be scheduled with different delivery dates through the LTD date. No deliveries will be done after the LTD date.

Thank you for your immediate attention to this End Of Life notification. If you have any questions or concerns, please do not hesitate to contact your Mitsubishi Electric representative.
